

CHRIST GREENFIELD MIAMI NIGHTS GALA

Dear Friends, Partners, and Community Members:

Please allow this letter to serve as an introduction and certification on behalf of our Gala Benefit Auction to be held April 18th, 2026, at Christ Greenfield Church and School. We are seeking a wide variety of new merchandise and services to be sold in both the silent and live auctions. We are asking individuals, businesses, and companies to donate the use of vacation homes or condos, new merchandise, services, or monetary gifts to benefit the auction. Christ Greenfield, a tax exempt non-profit organization in the state of Arizona, was founded in 1980. Today, our CG family of ministries includes a preschool through 8th grade, serving nearly 475 students. Beyond the school, our family of ministries consists of two church campuses, and a homeless ministry in two locations in the Valley: Mesa and Tempe. Our goal is to raise up leaders in the church, school, and the workplace to be a light in dark places. Our auction goal is to raise \$250,000. Proceeds from the auction will provide the resources necessary to enhance the quality of ministry we offer to all: church, school, and the wider community. This year we are specifically aiming to enhance our school facilities and youth programming.
