C H U R C H & S C H O O L

**Christ Greenfield School
Standardized Dress Policy
Kindergarten-8th Grade**

“You shall be my witnesses.” Acts 1:8. We fulfill this task of bearing witness to Jesus in many ways, including the way we work, play, walk, talk, and the way we dress. Christ Greenfield students, staff, and faculty should dress in such a way that they are effective Christian witnesses to others. The purpose of the Christ Greenfield standardized dress policy is to establish a standard that maximizes learning potential and the educational environment, eliminates the distraction of competition and emphasis on dress, and promotes modesty, neatness, and cleanliness.

Students are expected to be in compliance with the standardized dress policy on all school days, except on designated non-uniform days. Parents are responsible for ensuring that their child follows the standardized dress policy for daily and special events, including after school athletic events or any school-sponsored activity on campus.

APPROVED VENDORS

GENERAL GUIDELINES

All clothing must be clean, neat, and in good repair. No holes or rips are permitted. No material that is transparent or distressed in any way to create discoloration, thin spots, or holes is permitted. All clothing must be appropriately sized and no more than one size larger than the student’s measurements; nor may the garment be too tight. No undergarments are to be visible at any time. Students may not wear or have on them any kind of design, logo, or message that may be deemed inappropriate or offensive. Final discretion and decisions about whether a student’s dress is deemed appropriate and in compliance with school standards is given to administration.
